## Residential And Light Commercial Warranty

This warranty applies to Urbanfloor's Cascade series, SPC (Stone Composite) flooring, purchased from an authorized dealer and installed in a residential or light commercial area

Urbanfloor™ warrants that the Cascade flooring sold under this warranty is, at the time of sale, free from defects in material and manufacturing and that it conforms to the standard specifications for the product category. Urbanfloor™ further warrants that when installed and maintained according to product specifications and when used according to its intended purpose, the flooring will not wear through, delaminate, separate, buckle or cup as a result of a manufacturing defect (Visit the following links for Cascade's installation [http://www.urbanfloor.com/Installation\\_Guides.html](http://www.urbanfloor.com/Installation_Guides.html) and maintenance <http://www.urbanfloor.com/Cleaning-and-Care.html>).

If your Cascade flooring fails for any of the above reasons, Urbanfloor™ will replace, at its option, a portion or all the flooring at no cost to the original purchaser so long as the original purchaser still owns the property where the floor was installed. The warranty includes replacement material only and excludes any labor costs. The Cascade warranty is only extended to flooring maintained in normal environmental conditions, meaning that the heating and ventilating systems are working to maintain an interior humidity level between 30% to 50% and a room temperature between 65°F to 85°F year-round.
